

ARKTURA

OVERCAST[®]
INNOVATIONS

WE THINK BIG, CHALLENGE BROKEN SYSTEMS AND BUILD TRUSTED PARTNERSHIPS TO DELIVER MORE VALUE TO OUR CLIENTS AND THE COMMUNITIES WE COLLECTIVELY SERVE.

Overcast Innovations rose from a need to make buildings more intelligent, sustainable and affordable. We are compelled by our values to meet that challenge head on.

Fresh thinking creates new opportunities to streamline process, costs and timelines through innovative design and manufacturing approaches.

We dive deep to understand your project's design intent, goals, building function requirements and performance expectations.

Silhouettes Available

Elevate any commercial space with three distinct and captivating Silhouette designs.

Radia features perforated circles for a dynamic light interplay, while Horizon offers a stunning gradient that resembles a horizon. Dappled showcases organic marbled dots for added texture and intrigue.

Each pattern is available in three powder coat finishes and optional Soft Sound® acoustic backers.
